

ICT Careers in European Institutions

Are you passionate about shaping the future in Digital Innovation, Cybersecurity, Artificial Intelligence, Emerging Technologies, Data Management, Cloud Computing, and more?

If so, we invite you to join us for an exciting online event, organised by the **Digital Hub**, the centre of digital innovation for the **European Institutions in Luxembourg**. The Digital Hub is part of the Hubs of Excellence, an initiative that promotes the attractiveness of Luxembourg as a base for EU institutions. For more details about the Digital Hub and the Hubs of Excellence initiative, please refer to this leaflet [Digital Hub - Onepager.pdf](#) and this [link](#) to the promotional video.

Event Details:

Date: Tuesday, 4 March 2025

Time: 10:00 a.m. - 12:00 p.m.

This event will give you the chance to discover exciting **ICT career paths, job opportunities, and traineeships** within the European Institutions based in Luxembourg. Speakers from the **European Commission, European Investment Bank, European Court of Auditors, European Parliament, and other EU institutions** will highlight career opportunities in areas such as cybersecurity, artificial intelligence, cloud computing, data management, user support, digital platforms, and more.

The event will start with brief presentations from the Digital Hub coordinator and representatives from the European Institutions, followed by a Q&A session where you can engage directly with the speakers.

We encourage you to save the date and take advantage of this fantastic opportunity to learn about the career prospects available in the digital and tech fields within the EU.
